

## LAN CABLE

Cable type: CAT5E UTP 4P 24AWG GREY(RAL 7004)

- Reference standard: ANSI/TIA 568C & YD/T1019
- Application: For network cabling systems, including 10/100/1000 Base-T, performance to meet the standard requirements
- Rated voltage:30V

| Construction      |  |          |
|-------------------|--|----------|
| 1.Conductor       | Solid bare copper 24AWG  |          |
| 2.Insulation (mm) | PE 0.88±0.05   |          |
| 3.Color Code      | White-Blue(Stripe)/Blue<br>White-Orange(Stripe)/Orange<br>White-Green(Stripe)/Green<br>White-Brown(Stripe)/Brown |          |
| 4.Wrapping (mm)   | —  |          |
| 5.Screen (mm)     | —  |          |
| 6.Drain wire (mm) | —  |          |
| 7.Braid           | —  |          |
| 8.Rip cord        | 630D   |          |
| 9.Jacket (mm)     | Material   | PVC      |
|                   | Nom.thickness  | 0.5      |
|                   | Color  | Multiple |
|                   | Nom.diameter   | 5.0±0.3  |
